

LAKOTA
RETRIEVERS

WINTER TRIP 10'

RESERVATION FORM

Lakota Retrievers is excited to announce that on Sat, December 26, 2009, we will be heading south to Midway, Texas for another winter training season. Our anticipated return is Mid-April, 2010. We only have room for limited number of working dogs.

To secure your dog's spot, we will require a one time travel fee of \$250.00. If the dog is being dropped off in Texas there is no travel fee but a deposit will be required. We will be in Texas for approximately 3-1/2 months. Once it starts getting too warm down there, we will head back up north. This time frame will ensure that your dog will be home in time and prepared for the spring hunt test season in the mid-west. There will be some opportunities to complete a few AKC/ UKC hunt test while down there. We are also working on organizing a club WC/WCI/WCX test for late March, 2010.

Please be assured, this trip to Texas is not just for advanced dogs. This is a wonderful opportunity for any dog at any level. On this trip, your dog will have the opportunity to working on ideal land and in (not frozen) technical water.

The \$250 deposit is fully refundable as long as you cancel prior to November 15, 2009. If you cancel after that date, the deposit is forfeited unless another dog fills the spot on the trailer for the trip.

If you are questioning if this trip would be beneficial for your dog, please feel free to call so we can go over your questions and concerns.

We anticipate that all the spots will go quickly, so please get your reservation in soon.

The dates again for the trip are Dec 26, 2009 - Mid-April, 2010
